Hotels

It is very important that all judges read their contracts to determine the location, date and time of the competition.

Please review the Hotel Policy. Located on our website MDnawgj.org

Maryland is very fortunate that the USAG State Committee approved our hotel policy. We need to follow our approved hotel policy consistently.

While exceptions can be made for various issues, example weather , replacements etc. We must consider the expense from the owner's point of view. Remember many meets have been reduced from 3 to 2 days or 2 days to 1 day. The hotel policy is located on MDnawgj.org

As we sprint toward the homestretch of the competitive season, it feels a bit like we've been running a marathon... through an obstacle course...

Mother Nature has certainly kept us on our toes, and with the cancellations, changes, reschedules. It's been a season full of twists, turns, and a little sideways Cartwheels for good measure.

A huge thank you to each of you for stepping up again and again. Your professionalism, flexibility, and good humor have made all the difference. You've handled the curveballs with grace and agility — and maybe a well-timed deep breath or two.

As we wrap things up, let's not sweat the small stuff. We've navigated the big stuff beautifully.

Thank you for being the steady, thoughtful pros you are. Now go hug your family — they've earned it too.

With appreciation

Jane
